SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents  
Washington, DC 20231

Dear Sir:

In accordance with 37 CFR §1.97, Applicants submit documents for the Examiner's consideration, namely, citations AW - AZ on the enclosed Form-1449. Copies of these documents are enclosed.

This statement is not to be interpreted as a representation that the cited documents are material, that an exhaustive search has been conducted, or that no other relevant information exists. Nor shall the citation of any document herein be construed *per se* as a representation that such document is prior art. Moreover, applicant understands the Examiner will make an independent evaluation of the cited documents.

Specifically, Applicants wish to bring U.S. Patent Application Serial No. 08/652,659 to the Examiner's attention. Applicants are unable to determine the status of this application although it is not believed to have matured into a U.S. Patent. Should this application result in a U.S. patent, then such patent may be considered relevant under 35 U.S.C. § 102(e). Insofar as U.S. Patent Application Serial No. 08/652,659 claims priority to U.S. Provisional Patent Application Serial No. 60/004,603, a copy of the provisional application is also enclosed.

Under 37 C.F.R. § 1.97(b)(3), no costs are believed to be due in connection with the filing of this Supplemental Information Disclosure Statement. However, please charge any necessary fees in connection with this statement to our Deposit Account No. 141449.

Respectfully submitted,

28 June 2002
